

## **Trinity United Church Council A Proposal for Summer Sabbath**

*The Trinity United Church Council at their meeting of January 31, 2019 considered this proposal and recommend it for discussion/decision at the Annual Meeting.*

That the Trinity United Church consider taking a four-week Summer Sabbath when we do not meet for worship.

### A Summer Sabbath offers an opportunity to:

- Worship with a neighbouring church;
- Visit another denomination;
- Bring back good ideas from other churches;
- Take a break to rest and enjoy family, summer weather and break in routine;
- Worship where you are with a Sunday devotional (provided.)

### Suggested time frame for Summer Sabbath:

- To close July 21 and 28, August 4 and 11
- The minister would take these as summer holiday providing a saving in supply for worship leaders (\$212 x4) and the cost for summer organist and custodial services.)
